Dear all

Recent developments have probably curtailed the travel plans for a lot of you. We hope that it won't impact your business too much.

As voted on at the Annual Luncheon, we have updated our statutes and they are now officially filed with the KvK. Thanks to Loyens & Loeff for their assistance in completing this task.

Work on our new website continues, however we have already transitioned our email address to use the 'netherlandscanada.nl' domain. The first part remains the same and both email addresses will work but it is a good idea to change them in your contacts list. For example, the office is now Office@netherlandscanada.nl.
