

# YOUR INVITATION TO The Canada 150 TD Environmental Design Competition Presentations

Join us to experience the energy and creativity of upcoming Canadian environmental design talent. Celebrate Canada's 150th by participating in the national design competition where college and university students have redesigned a local public space using themes of inclusion, belonging, reconciliation and connection. Twelve teams from across Canada have been selected by a panel of nationally recognized designers to present their master plans. Don't miss Canada's next generation of urban, landscape and environmental designers.

**Saturday, May 6, 2017**
